Our dental team is happy to welcome you to our practice. We are pleased that you have chosen us to care for your dental needs. We are committed to providing you with the highest quality of oral health care in the gentlest manner possible.

Your dental health is important to us. You must be kept well informed about your oral health, so let's begin by discussing your first visit.

On your first visit you can expect:

An introduction to our office and staff

A thorough examination and review of your oral health, including necessary x-rays

A careful evaluation of your dental status

A discussion of the most satisfactory treatment plan to meet your oral health goals

Please fill out the medical and dental history forms. As per our office policy, we ask you to pay in full at the time of your visit. If you have insurance, we ask you to pay your estimated co-pay and we will bill you insurance as a courtesy to you.

We recognize the value of your time. Except in emergency situations, you can expect us to be on time for you. We would appreciate the same courtesy. If for some reason you cannot make your appointment, we ask that you notify us 48 hours in advance.

In case of a dental emergency, you may reach me at 775-829-8684. We look forward to seeing you.

Cordially,

Dr. Michael A. Atencio and Staff
